

Choose the Right Life Insurance Plan

Different life stages require different kinds of protection. Explore the three main types of life insurance plans available through Veedhi.

Term Life Insurance

The most affordable form of life insurance pure protection with a high cover amount at a low premium. Pays a lump sum to your nominee if you pass away during the term.

- Lowest premium, highest cover
- Cover up to ₹1 Crore+
- Term from 10 to 40 years
- Rider add-ons available

Whole Life Insurance

Lifelong coverage that combines protection with savings. Your family is covered for your entire life, and you build cash value over time that can be borrowed against.

- Lifelong cover (up to age 99/100)
- Cash value accumulation
- Loan facility against policy
- Surrender & maturity benefits

Endowment Life Insurance

A dual-purpose plan that offers both life cover and a guaranteed maturity benefit. You receive a lump sum at the end of the policy term perfect for goal-based savings.

- Life cover + maturity payout
- Guaranteed savings component
- Ideal for education/retirement
- Bonus additions possible
